

My service to Country, Humanity, Family – Charles (Chuck) Maack, Master Chief Cryptologic Technician/CTOCM, U.S. Navy (Retired)

I served my God in a manner I consider He had determined - I served my country by my career military service and to the men/women with whom I served; I served humanity as a voluntary trainer/instructor to others (Kodokan Judo); as a voluntary online Mentor throughout the world to men diagnosed with Prostate Cancer and to their caregivers/loved ones; as an unbiased friend throughout my life to all whom I came in contact; and very important, I served my family as their “rock” as long as my health permitted.

Where there is Faith,
There is Love!
Where there is Love,
There is Peace!

Faith, Peace, Love - but the greatest of these is LOVE!
